Welcome to AMVETS (American Veterans)

You are an essential AMVETS member. Through our combined strength, purpose and integrity, we serve the needs of the American veteran. We stand on the foundation built by fighting men and women who have rallied to America's call since WWII. For more than 75 years, AMVETS members have maintained the watch for you. It is now your time to carry the flag. Eternal vigilance is the price of freedom.

Your duty as an AMVETS member is to help any veteran in need. To accomplish this task, you must be dedicated and educated. Our website, amvets.org, is the best way to stay updated on the latest in veterans' issues as well as AMVETS programs and legislative initiatives. Read and post to our Facebook page and share AMVETS information on your page.

AMVETS is both respected and consulted in Washington, D.C. We monitor, write and influence legislation benefitting you, the American veteran. Keep your email current. When we send you legislative calls to action, make the call. Your voice makes a difference in protecting the freedoms we hold sacred. When we speak together, our voices reverberate in the House and Senate chambers. We speak for veterans and their families.

Spread the word about **AMVETS National Service Officers (NSOs)**. Our trained NSO's are located across America and are accredited by the Department of Veterans Affairs. NSOs provide sound advice and prompt action on compensation claims for American veterans.

AMVETS Career **Centers** will place 700 veterans this year. The AMVETS HEAL team ensures the needs of ALL Veterans are met including access to the best quality healthcare (mental health and specialized services) and to help them live longer and healthier lives. These services are free.

Less than one in ten Americans serve in America's military. You are part of an elite and honorable group entitled to wear and display the AMVETS crest with pride. Thank you for your continued service to the United States through AMVETS.

Donald 'Don' McLean, AMVETS National Commander
